STATE OF SOUTH DAKOTA
BUREAU OF ADMINISTRATION, OFFICE OF PROCUREMENT MANAGEMENT
REMANUFACTURED OFFICE FURNITURE

CONTRACT #16372

THIS CONTRACT is by and between the STATE OF SOUTH DAKOTA ("State") acting through the BUREAU OF ADMINISTRATION, OFFICE OF PROCUREMENT MANAGEMENT (OPM), with offices in the Foss Building, 523 E. Capitol Avenue, Pierre, South Dakota, 57501 and RBF Acquisition Corp. DBA RBF Interiors ("Contractor") with offices at 5055 Natural Bridge Avenue, St. Louis, Missouri, 63115.

1. **BACKGROUND:** The Contractor has entered into a contract with the Federal Government under the Federal Government's Supply Schedule Contract Program administered by the General Services Administration ("GSA"). That program allows a contractor and the GSA to negotiate in advance of actual purchases the terms and conditions under which a contractor will supply goods or services to the Federal Government. Such a Federal schedule contract is not a commitment to purchase any goods or services; it is only a convenient way to do so should a Federal agency so choose during the contract's term.

The State has also determined that the Contractor's Federal schedule contract offers goods or services that may be of interest to various state agencies and has therefore decided to use the Contractor's Federal contract as a basis for a state contract with the Contractor. This state contract (the "Contract") establishes terms and conditions under which a state agency may acquire the Contractor's goods or services, but in no manner obligates any state agency to do so. South Dakota law, SDCL 5-18A-22(2), allows purchasing agencies of the state to make purchases from any contract issued by the General Services Administration.

TERMS & CONDITIONS

2. COMPOSITION OF CONTRACT:

- a. This Contract consists of the terms of the Contractor's Federal Schedule Contract, Number GS-28F-0008W (the "Federal Schedule Contract" or "Schedule Contract"), as amended by this Contract (see Paragraph 36 "ENTIRE AGREEMENT"). The Contractor's Schedule Contract consists of all the documents and materials incorporated in that agreement with the Federal Government. Those documents include, among possible others, the Federal Government's original solicitation, the Contractor's offer to the Federal Government, with amendments, the Contractor's best and final offer letter, the final award, and the Contractor's most current version of its Authorized Schedule

Price List.

- b. Additionally, all representations, clarifications, and certifications submitted by the Contractor as a part of that contracting process are also included. And it includes any laws, regulations, documents, guidelines, and other materials incorporated by reference in the Contractor's Schedule Contract, including all Federal Acquisition Regulation (FAR), Defense Federal Acquisition Regulation (DFAR), Federal Information Processing Standards Publication (FIPS PUB), Federal Standards (FED-STD) and United States Code (USC) provisions, among others. By way of example, such would include all cited FAR and DFAR provisions relating to warranties, liabilities, and rights in data, and the GSA's Price Reduction Clause, among others.
 - c. It is recognized that prices reflected on GSA schedule contracts are most favored customer prices and are maximum prices. A State Agency or Local Government may negotiate a lower price for goods and services listed on a schedule contract.
3. **FEDERAL REPRESENTATIONS:** The Contractor warrants that all certifications and representations made to the Federal Government as a basis for obtaining or as a part of its GSA Schedule Contract were and still are true and accurate. The Contractor further agrees that such representations are a basis for the State entering into this Contract and that such representation and certifications inure to the State's benefit.
4. **FUTURE NOTICE:** The Contractor acknowledges that any continuing obligation to notify the Federal Government of changes affecting its GSA Schedule Contract, including by way of example, notices required under the price reduction provisions of its Schedule Contract, must be provided in the same manner to the State. The State's rights under those notices will be the same as the rights of the Federal Government. Additionally, the Contractor agrees to notify the State within thirty (30) calendar days of all changes in the status of or amendments to its Federal Schedule Contract.
5. **PARTIES TO THE CONTRACT:**
 - a. For purposes of this Contract, all references to "Government," "Federal Government," "GSA," or similar terms meaning the Federal Government in the Contractor's Schedule Contract will mean the "State". References to the "Contracting Officer" will mean the State Director of Procurement Management, or their successor or designee, who signed this Contract on behalf of the State. Additionally, for purposes of this Contract, all rights and obligations of the Contractor and the Federal Government under the Contractor's Schedule Contract, except to the extent that such would create an absurdity, or are otherwise clearly inappropriate, or would violate state or federal law, will be rights and

obligations between the Contractor and the State.

- b. This Contract may be relied on by any "State Agency" as defined under §1-27-28(2), South Dakota Codified Laws, the Legislature, the Unified Judicial System and other "Public Entities" as defined under §3-21-1(2), South Dakota Codified Laws. Whenever a Public Entity that is not a State Agency relies upon this Contract to issue a purchase order, the Public Entity will step into the shoes of the State under this Contract. Any order placed by a Public Entity under this contract will be between the Contractor and the Public Entity. The Contractor will look solely to the Public Entity for performance, including but not limited to payment, and will hold the State harmless with regard to such orders.
- c. Nothing in this Contract requires the Contractor to accept an order from a Public Entity that is not a State Agency, where the Contractor reasonably believes that the Public Entity is or will be unable to perform its obligations in relation to that order.
- d. While performing services hereunder, Contractor or Contractor's employees, representatives, agents and any subcontractors are independent contractors and not officers, agents, or employees of the State of South Dakota.

6. SPECIFIC CHANGES TO PROVISIONS INCLUDED IN THE CONTRACTOR'S GSA SCHEDULE CONTRACT:

- a. The ordering and payment addresses under this contract are:

to this contract. However, for administrative convenience, a purchasing entity may purchase incidental items that are not on the GSA contract schedule, where the total purchase amount for such incidental items does not exceed \$4000. The Office of Procurement Management may authorize purchases of incidental items where the total purchase amount exceeds \$4000, if such purchase is determined to be in the best interest of the State.

7. **DEALERS/DISTRIBUTORS:** Upon approval of the State, the Contractor may designate one or more dealers or distributors to provide services under this Contract on behalf of the Contractor. To designate a dealer or distributor, the Contractor must provide written notification to the Office of Procurement Management, certifying that the designated dealer/distributor has agreed to be bound by the terms and conditions of the contract.

11. **AUTOMATIC RENEWAL:** This contract is automatically renewed on the date that GSA exercises the renewal option. All State of South Dakota terms and conditions will continue and apply to all renewal periods unless modified by mutual agreement.
12. **DELIVERIES:** Deliveries shall be as stated in the Contractor's Federal Schedule Contract.

13. **GOVERNING LAW, VENUE:** This Agreement shall be governed by and construed in accordance with the laws of the State of South Dakota. Any lawsuit pertaining to or affecting this Agreement shall be venued in Circuit Court, Sixth Judicial Circuit, Hughes County, South Dakota.
